WHO ARE WE

ADAORA DEVELOPMENT INITIATIVE FOR VOLNERABLE WOMEN AND YOUNG GIRLS

Adaora development initiative for vulnerable women and young girls was founded in August 2023, is a peer led initiative that focuses on the health and right of female sex workers PLHIV women and the young girl, PLHIV Sex workers partners a Non profitable Organization.

This great organization came as a result of us going to brothel to educate sex workers on their rights and access to health. It was an avenue for the sex workers to share their plight and challenges been faced at the brothel and from their customers. And in case of police arrest and brutalization we go and bail ourselves. Also we also reach out to PLHIV women and the young girl, PLHIV Sex workers partners to encourage them to access health and how to stay healthy. We also do HTC in the brothel too, We have also feature in the WORLD AIDS DAY ACTIVITIES by going for sensitization and awareness and also carry out HIV testing Services

When the ISDAO project came we decided to form what is called **ADAORA DEVELOPMENT INITIATIVE FOR**

VOLNERABLE WOMEN AND YOUNG GIRLS (ADIVWAYG).

The proposal was written on advocating for access to right and health service it was approved and a consortium was form. The Consortium is made up of five organization which is creating a platform for all community typology to come together and organized a unified community member across all social, economical and political space in Edo and Delta state. ADIVWAYG went on advocacy visit to Journalist office in Edo and Delta State to talk about the right of female sex workers PLHIV women and the young girl, PLHIV Sex workers partners. Meetings where held with CSO's in Edo and Delta State to enlighten the people that female sex workers and PLHIV women and the young girl, PLHIV Sex workers partners are people and their right should also be respected and they should also have access to health service too. ADIVWAYG is registered with the corporate affairs commission.
