

## EQUALITY FOR BEHAVIOURAL CHANGE INITIATIVE PROFILE

### VISION:

To improve quality of life for the less privilege, Female Sex Workers and those affected or infected with HIV/AIDS particularly **PLHIVs**, **FSWs** and **PABA**, Equality for Behavioural Change Initiative was formed in 2018 and was registered in 2019 September with Anambra state ministry of women affairs & social development, and Civil Society Organization in Nigeria CISHAN, as a non-profit, non-political, non-religious and non-ethnic based organisation. The organisation finally registered with the Corporate Affairs Commission (CAC) in 2019.

**Our vision:** comprehensive care and support for PLHIV, FSW and PABA.

**Our mission:** To provide an environment that will enable FSWLWHA and People Affected by AIDS (PABA) to live in harmony with one another, fight against the spread of HIV/AIDS as well as mitigate its impact and stop stigma and discrimination among Female Sex Workers or Commercial Sex Workers in Anambra and Nigeria at Large.

In line with EBCI`s mission and response to HIV/AIDS in Anambra state and other states in Nigeria.
