ABOUT US:

Unique Royal Sisters Lead for Deprived Women and Girls Initiative (UNIQUE SISTERS) is a non-governmental / non-political, peer-led community-based organization, that targets Female sex workers (FSW), Women who use drugs, Orphans & Vulnerable Children (OVC), Lesbian Bisexual Queer women (LBQ Women), Girls and other vulnerable marginalized people with the aim of improving their sexual and reproductive health and right to help them overcome stigma & discrimination and make informed decisions about their sexuality and health.

The initiative was formed in 2020 and registered with Corporate Affairs Commission (CAC in December 2022) with registration no; *CAC/IT/195785*.

UNIQUE SISTERS since its formation has partnered with IPs to implement both health and human rights intervention in Abia, Enugu and Cross River States respectively. The organization has strong community presence and has rooted relationship with all stakeholders in the states. UNIQUE SISTERS is a member of Nigerian Sex Workers Association (NSWA) and KP secretariat in Nigeria.

UNIQUE SISTERS aims to work towards providing comprehensive care and support that will bring relief to the marginalized women and youth who are infected and affected by HIV/AIDS, Tuberculosis and other related infectious diseases in a loving and compassionate way and mitigate the scourge of these infection among the communities and beyond through result-oriented strategies to give hope to the hopeless.
